

CONTRACT
BETWEEN voiceoverworxx™ AND CLIENT

THIS CONTRACT is made effective as of the ___ day of _____, by and between voiceoverworxx™, a unit of worxxenterprises, inc. and hereafter referred to as “vow”, and _____, hereafter referred to as “Client”.

Specifically, this Contract is for a project known as _____, hereafter referred to as Project. For purposes of pricing, Client declares this Project is:

___ Program Narration (longer than 90 seconds) – for corporate, Internet, phone systems or presentation productions to be used:

___ Locally or Regionally, *or*

___ Nationally

or

___ Commercial(s) (90 seconds or less) to be aired:

___ Locally on radio, tv, cable or DBS,

___ Regionally on radio, tv, cable or DBS, *or*

___ Nationally on a radio/tv/cable network(s)

Regionally is defined as airing in any one or more of the top 100 US Markets, a current list of which is available on vow’s website (www.voiceoverworxx.com) or in writing, upon request. Further, if Project is for either Regional or National, it is for a:

___ Thirteen (13) week run, *or*

___ One (1) year buyout

vow, its employees and subcontractors (i.e.; voice talent) will treat all information received from Client as “Confidential Information”. A definition of “Confidential Information”, as used by vow, is contained within the “Confidentiality Agreement” entered into by vow, its employees and subcontractors. Said agreement is available on vow’s website, or will be provided in writing to Client upon request, and is made a part of this Contract.

If client provides to vow the final script of the Project to be recorded with sufficient time that vow can get that same script to the voice talent at least twenty-four (24) hours in advance of the scheduled recording time, the voice talent will pre-read it at no charge. Should the final script be provided after the timeframe indicated, then Client acknowledges voice talent will be “on the clock” to be able to pre-read the final script before recording.

This Contract shall continue in full force and effect for so long as the parties continue a business relationship. Either party may terminate this Contract at any time upon thirty (30) days written notice to the other party. The termination of this Contract shall not relieve either party of the obligations imposed by the Confidentiality Agreement, which

shall survive the termination of this Contract for a period of three (3) years from the date of such termination.

vow agrees to perform the work requested by Client on the Project to the best of its ability and under the rates in effect at the time of the Project, or for such other rates if quoted in writing to Client.

Client agrees to pay vow for said work upon completion of the Project, or within thirty (30) days, as indicated by vow's invoice to Client.

Further, Client agrees to provide vow with "screen" credit for both the facility (voiceoverworxx_{TM}) and the specific voice talent(s) utilized in the Project, should the Project contain any "screen" credits.

It is hereby agreed and understood that any dispute, difference or disagreement of any kind whatsoever, whether statutory or contractual, which arises from the services/products provided or relates in any way to the general business relationship of the parties to this Contract, shall be, as the sole available remedy, resolved through mediation or binding arbitration, rather than litigation. Any such mediation or arbitration shall be governed by the Federal Arbitration Act and conducted in accordance with the *Rules of Mediation and Arbitration*.
